

Wizard of Oz Helpers

It takes an army to make the show run smoothly! Please find you/your child's name and remember to buy tickets for the night you are NOT helping. If you have a conflict with the day you are helping, please try to resolve it by finding another member of the family to help or by asking another parent to switch with you.

Immediately following the performance we will STRIKE the theatre. This means take down/gather up/load up all costumes/props. We will need help. During the performance week, check in at the Call Board to see where we will need help. Some ideas of areas we will need help are: laundering costumes, carrying things to vehicles, rolling flooring, and unloading props at the studio.
