Attendance: Regular attendance is essential for a dancer to make progress.

- We realize conflicts arise ~ Please let the instructor or management staff know ahead of time if you know there is a class your dancer will be missing.
- We are not necessarily closed every school holiday or for inclement weather as schools are. In case of studio closing, we will send out mass emails and texts as well as update our Facebook page and website. **Text @rnm dance to 81010** to be added to the studio text messaging list.
- Tuition is not pro-rated for missed classes due to student's absence.
- Missed or cancelled classes may be made up with permission from the RNM Director in a class of similar age and genre. RNM does not generally schedule make-up classes.
- Classes must be made up within 2 weeks.
- **Attendance in May and June are Mandatory** - Please keep these weeks free to allow for extra rehearsals.

Recital: This performance displays the progress dancers have made over the year. It gives them an opportunity to perform on stage with costumes, make-up, full stage lights, music and an audience and is one of the best teaching tools we can offer your dancer.

- Recital will take place in June and will require additional practice time and dress rehearsals. June 14-15 will be daytime hours.
- Recital packets will be given to each dancer before Spring break with ALL dates and times and necessary information.
