

Cinderella Helpers

It takes an army to make the show run smoothly! Please find your name and remember to buy tickets for the night you are NOT helping. If you have a conflict with the day you are helping, please try to resolve it by finding another member of the family to help or by asking another parent to switch with you. We absolutely CANNOT do this without all of our parent helpers!

Immediately following the performance we will STRIKE the theatre. This means take down/gather up/load up all costumes/props. We will need help. During the performance week, check in at the Call Board to see where we will need help. Some ideas of areas we will need help are: carrying things to vehicles, rolling flooring, and unloading props at Kat's house.
