## Dear Dance Families,

This booklet contains most of what you need to know for pictures, studio rehearsals, technical & dress rehearsal, and any other information that is related to our recital.

***Pull out a highlighter and put each date in your calendar.***

**All classes, pictures and rehearsals in the months of May and June are MANDATORY.**

If your dancer misses any scheduled class or rehearsal in May or June, they may risk losing their spot in the recital. Please make sure that your dancer is at **ALL** rehearsals as this is the most vital time for practice. We never want to pull a dancer from a dance, but we must be fair to all those who are present and make a diligent effort.

**Thank you for your cooperation!**

## TICKET SALES

- Ticket sales will begin Saturday, May 14 at 11:30am and end on Thursday, June 9 at 10pm online at <https://24289.recitalticketing.com/>
- Ticket prices are \$18 for VIP seating (first 5 rows) and \$15 for remaining Orchestra seating.
- If you purchased a **RECITAL PACKAGE**, you will receive 2 Orchestra tickets. These can be upgraded online. A special code will be emailed to you prior to the beginning of ticket sales.
- Ticket sales at the door will be \$20 **CASH/CHECK ONLY**.

## MAKEUP

Makeup is required for each dancer. Stage makeup should be applied heavily as the stage lights wash out dancers' faces. \*\*PRO-TIP: It's easiest to apply eye makeup to little ones while they are laying down with their head in your lap. Lip Stain works better than Lipstick as it stays on and doesn't rub off on costumes. Please ask a seasoned dressing room mom or an older dancer for help whenever needed. Dancers in Advanced classes should **wear false eyelashes**.

**For pictures, dress rehearsal, and all performances, dancers should not have any colored nail polish, colored acrylic nails, fake tattoos or jewelry unless specified for their costume.**

## HAIR

**Hairnets are required for ALL buns** and should be the same color as your child's hair. These are available at the front desk. Please see below for your child's hairstyle. Buns should lay as flat on the crown of a dancer's head as possible. Think cinnamon roll, not door knob.

**\*\*PRO-TIP:** Before pulling hair up in pony tail, spray liberally with hairspray. This will help the hairs grip together as you brush back into ponytail, keeping "wispies" at a minimum.

## COSTUMES

All costumes need to be steamed/ironed before pictures and performances. Please make sure that **ALL costumes and accessories are labeled with your dancer's name**. Shoes should be labeled *inside* of the shoe and not on the bottom. One pair of the appropriate color tights are included with your costume. Extra pairs of tights and shoes can be purchased at the studio. **If you need new tights or shoes, we will be placing an order for both on May 14. Only tights from the studio are to be worn for pictures, dress rehearsals, and performances to ensure that all students match.**

# RECITAL PICTURE SCHEDULE

## Friday, May 13- Saturday, May 14

Please arrive and be dressed and ready to go at least **15 minutes** before your scheduled start time. We cannot wait for group shots. Wear light makeup and stage-ready hair. Remember to bring your costumes (that have been steamed or ironed), appropriate tights, shoes, and any accessories. \*\*Pro-tip: it's easiest to layer tights (put on tan first, then ballet pink over top) to make quick changes easy.

**No jewelry, tattoos, painted nails, undies or bras.**

Dance siblings are welcome to take photos together in costume. Please have both/all of your kiddos ready to go during one of their scheduled times in whichever costume you choose.

Outdoor photos at Williamsport C&O Canal will be a possibility on Friday, if weather permits. If there is inclement weather, we will do photos at the studio. We will have garment racks and a tent for changing. Please wear Croc-Like shoes for walking to/from photo locations.

Picture order forms will be available the day of photos.

# PARENT HELPERS

## **It takes an army to make the show run smoothly!**

Parents/guardians are needed in dressing rooms, as stage crew, and in other areas. Helpers will only be expected to work one show. Every parent/guardian will have the opportunity to sit and watch one performance without any interruption. Please find your name and remember to buy tickets for the show at which you are NOT helping. **If you have a conflict please try to resolve it by finding another member of the family to help or by asking another parent to switch with you.**

At RNM, we do our best to keep dance classes and performances as affordable as possible. This means we rely on our dance families to help so that we don't have to charge a Performance Fee which would cover hiring additional event staff. Your help is invaluable to us and we appreciate the time and involvement you share with your kids.

## **Some tips to make Recital go smoothly:**

**Planning** - Pull together all of your costumes, accessories, shoes and makeup several days in advance to give you a little cushion in case something isn't exactly right. Make a checklist of your child's dances, listing their costume, color tights, shoes, and any accessories. Make sure you have all your supplies before arrival. The checklist helps when leaving to ensure that you have everything.

**Clothing Rack** - Small clothing racks with wheels can be purchased at stores such as Wal-Mart. If your child is in several dances and/or plans to dance again next year, it's a smart investment that keeps you organized, prevents wrinkles, and provides a little dressing privacy. Hang costumes in garment bags on the rack in the order they will be needed in the show with their accessory bags inside the garment bag.

**Accessories** - Use a ZipLoc bag to hold any accessories (hairpiece, gloves, etc.) for each dance. If you have four dances, use four different bags. Use a Sharpie to write the name of the dance on the bag, plus a list of each accessory item. The list serves as a checklist before you leave home for the recital, when getting dressed, and when repacking items after each dance is complete.

**Label Everything** - Put your child's name on everything. These are busy days and it is easy to lose a piece to a costume, shoes, accessories, etc.

**Extra Everything** - Now is not the time to get a run in your tights without a backup. Have at least one extra pair on hand of each color that you need. Also bring extra hair gel, hair nets, bobby pins and hair spray with you. A few less obvious things that have come in handy for others include: Baby wipes/Shout wipes, Baby powder (for itchy costumes), Safety pins, Clear nail Polish (to repair minor holes/runs in tights when there isn't time to change them), Tylenol or pain reliever, Extra contact lenses, Band-Aids (the "invisible" kind -- stage is not the place for Sponge Bob Band-Aids), Sewing kit

**Robe** - It may sound odd, but a robe or dad's button down shirt are great to keep costumes clean while dancers wait.

**Performance List** - Make sure you know which order your dances are in and note how much time you have between changes (a rough estimate is 3 minutes per dance). You may want to type up your own list with costume/accessories to tape on the wall or clothing rack in the dressing room.

**Questions**- If you are unsure about something, please feel free to ask the studio staff or a parent who has been on this rodeo before! Please, be mindful that when teachers are in the house/sound booth during rehearsals, they are working with the dancers so try to find the answer through another source.
